EXPERIENCE

LaChanceDevelopment, St. Louis, MO — *Freelance Web developer*

April 2021 - PRESENT

Planned website development, converting mockups into usable web presence with HTML, CSS, JavaScript, AJax, Json, and ReactJs coding.

Applied latest emerging technologies, software and project application trends to update and maintain site applicability.

Designed, implemented, monitored web page, plugins and functionality for continuous improvement.

Coded websites using HTML, CSS, JavaScript and ReactJs framework.

Implemented Google-based SEO and analytics for data analysis.

Saks Fifth Ave, St. Louis, MO — *Asset Protection Investigator*

December 2019 - April 2021

Initiated and led asset protection theft investigations following SOP.

Monitored physical security protection standards and building access control.

Patrolled store and staffed designated posts for visible security presence to customers and associates.

Viewed store CCTV, alarm, and expectation reporting systems to monitor activity and detect theft.

Worked with clients and risk management specialists to provide meaningful solutions that meet client needs.

Upheld strict security and safety procedures to protect business from financial losses due to theft.
